Down the river - go, Uncle Joe - down the river - go -

down the river - go, Uncle Joe - down the river - go.

1. Come my love and go with me  
Down the river I go,  
Carry you down to Tennessee  
Down the river I go.

3. If I had a needle and thread  
as fine as I could sew,  
I'd sew my love to my  
coattails and down the river  
I'd go.

Chorus: Down the river I go, Uncle Joe  
Down the river I go  
Down the river I go, Uncle Joe  
Down the river I go.

4. Fifteen miles away from home,  
chickens crowin' for day -  
Every man that's got him a wife  
He better had get her away!

2. Horse and buggy will carry you along  
Your little feet will never touch ground.
