One Little Story The Crow Told Me - from the Carolina Buddies

verse

If you'll listen, I'll — sing you a song — It's awful funny but it — won't take long —

all about a crow in a — hickory tree — one little story that the — crow told me.

chorus

Caw! Caw! one little story that the crow told me; Caw! Caw!

in a hickory tree.

2. I bought me a suit of union underwear
 To keep me from the cold and chilly air;
 I wore it six months without exaggeration
 And ~~but~~ I couldn't get it off 'cause I lost the
 combination.

3. My gal took sick the other day
 The doctor said she's gonna
 pass away —
 I bought her a corset at the
 dry goods store,
 She's in better shape now than
 she was before!
