2. No use ramblin', walkin' in the shadows,
Trailing a wandering star;
No one beside you, no one to guide you,
And nobody knows where you are.

(chorus)

3. No use gamblin', running in the darkness,
Looking for a spirit that's free;
Too many wrong times, too many long times
Nobody knows what you see.

4. No use roamin', lying by the roadside
Seeking a satisfied mind,
Too many highways, too many byways
And nobody's walking behind. (chorus)
